Get your child's thinking off to a good start for school each morning.

Dear Parents/ Carers,

12th July is the last Chess club for this term. The children in chess club have made good progress. Our school chess team played in HSCA Chess League and won Bronze Medal in Training League. I am delighted to teach the young talented children.

Chess Club is open to complete beginners, those who know how to move the pieces and also for children with knowledge of Chess. We will look at opening principles, common chess tactics like Pin, Fork and Skewer and the power to win the endgame. This is an exciting opportunity for children from **Y1 to Y6** to enhance their mental agility, improve concentration and learn problem solving, abstract reasoning and pattern recognition skills.

Chess Club is held on Friday mornings from 8.00 - 8.45 am. There are 12 sessions in Autumn Term from **13th September to 6th December 2019** (excluding half term on 1st November). Our fee for the term is **£60.00**. **To reserve your place** please send your completed registration form by email and pay online before **12th July 2019**. Please assume confirmation and acceptance when you have completed online payment.

If you have any further questions please do not hesitate to contact me.
