Dear Parents/ Carers,

6th December is the last Chess club for this term. The children in chess club have made good progress. Our school chess team is playing in HSCA Chess Training League. I am delighted to teach the young talented children.

Thank you for supporting chess club.

Chess Club is open to complete beginners, those who know how to move the pieces and also for children with knowledge of Chess. We will look at opening principles, common chess tactics like Pin, Fork and Skewer and the power to win the endgame. This is an exciting opportunity for children from **Y1 to Y6** to enhance their mental agility, improve concentration and learn problem solving, abstract reasoning and pattern recognition skills.

Chess Club is held on Friday mornings from 8.00 - 8.45 am. There are 10 sessions in Spring Term from **17th January to 27th March 2020** (excluding half term on 21st February). Our fee for the term is **£50.00**. **To reserve your place** please send your completed registration form by email and pay online before **13th December 2019**. Please assume confirmation and acceptance when you have completed online payment.

Please try to pay on-line but do use the code for your school. With 200 payments to process, without the correct code it is difficult to track the payment. If you have any further questions please do not hesitate to contact me.
