

Top Tools

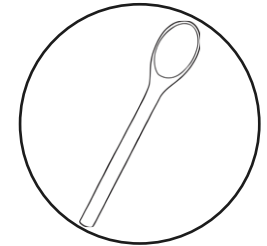

I can solve problems with weights.

Weigh the tools on your balance scales. Complete the sentences to say if the tools are heavier, lighter or about the same as each other.

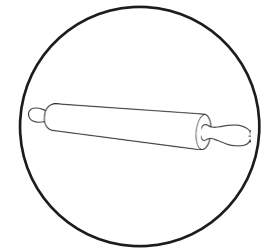

The whisk is

the wooden spoon.

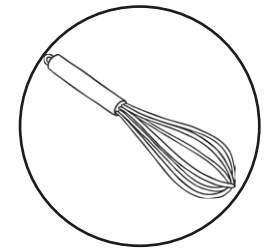

The pastry cutter is

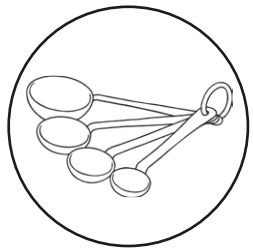

the rolling pin.

The recipe book is

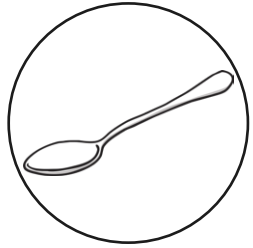

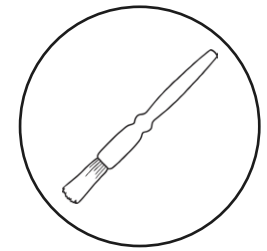

the whisk.

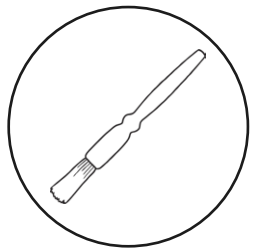

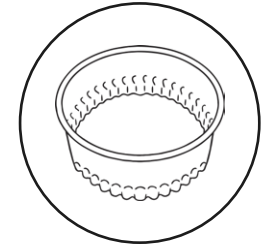

The measuring spoons are

the pastry brush.

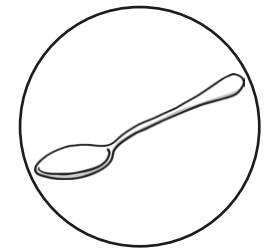

The metal spoon is

the pastry cutter.

The pastry brush

the metal spoon.

about the same as

about the same as

about the same as

about the same as

heavier than

heavier than

heavier than
