

Phonics Stars St. Albans and Welwyn Hatfield are really happy to offer classes to children in Year 1 and Reception next term! Classes will be up and running from Thursday 9th January to Thursday 2nd April 2020.

3.20pm – 4.15pm for a period of 12 weeks.

- 9th, 16th, 23rd, 30th January
- 6th, 13th, 27th February
- *Half term – no classes 20th February
- 5th, 12th, 19th, 26th March
- 2nd April

This course is for Aboyne Lodge School children in Year 1 and Reception. Children will be escorted to the class at the end of their school day and collected by parents/carers from the main entrance 4.15pm at the end of the session.

At Phonics Stars™ we build children's knowledge and confidence in order to give them a great start in life.

We support teaching methods used in Schools like Aboyne Lodge by boosting Children's ability to learn.

Phonics Stars™ classes are Great Fun – with children enjoying numerous group and individual activities.

Some of the activities are quiet, measured and engaging; others are lively, energetic and joyful! However, they all have one common denominator; they all involve interactive and enjoyable play, which at the same time teaches valuable life skills and helps develop children's minds and bodies to make the most of their education. As well as helping with early literacy foundation, many Phonics Stars™ activities support fine motor, fine manipulative and even gross motor skills. Developing these helps Children to acquire the necessary forms of strength and stamina for the skills they need to become super writers.

Our after-school club at Aboyne Lodge will include the following: Recapping phonemes (letter sounds) and digraphs with body actions, disco dough gym, fine motor and gross motor activities to support muscle development, some number work, the shimmi dance to help children to learn formation and work across the midline which helps to develop pathways in the brain. Teaching Synthetic phonics, we will be blending and segmenting phonemes with CVC words and recognising tricky and high frequency words. **The classes are high-energy and full of fun. All games and activities are designed around play and children will be actively learning whilst having fun dancing, singing, creating, playing sports and pumping up those muscles!**
