

We also introduced the learning power **Resourcefulness** through the character Super Squirrel.

Super Squirrel - Sorts things out!

Squirrel likes to question what she sees. When approached with a problem, Squirrel tries to find a method and uses resources to help her. She enjoys using her imagination and makes links between what she has learned.

We want our children to develop the skills (capacities) involved in being resourceful learners.

These skills, or capacities, are: **Questioning, making links, imagining, reasoning capitalising**
