This year, the sports council hope to source and purchase new PE resources for the school, run intra-school competitions, organise an athlete to visit Aboyne Lodge as well as plan and run Sports Day in July.

We have two Bronze Ambassadors, Izzy and Louis, and two Health Ambassadors, Max and Bea. The four Sports Ambassadors attended a training day on 5th October with Mrs. Sooben and are hoping to soon deliver an assembly to the school to explain their role and demonstrate some things they have learnt. They plan to update our PE display board and regularly display our sports results. They will also help run clubs and intra-school events. They have already organised a penalty shoot-out competition where children in Years 5 and 6 won points for their houses They are taking their role seriously and have lots of ideas for the coming year.
