

Aboyne Lodge School

Dear Parents and Carers to Y6 children,

Some children are beginning to walk to and from school independently. Whilst we encourage this transition, we would like to help this be done safely. We have already introduced the Safe Walks to School Programme that is run by the council and we hope your child benefitted from this.

It would be extremely helpful for the school to know which children are walking to school independently.

Could you please complete the slip below and hand in to the school office.

.....

Dear Mrs Abley,

I give permission for my child ..... to walk to and from school independently.

In the event my child will be late or absent I will inform the school by 8.45am.

Signed.....

Date.....
