

Nursery Newsletter- Autumn 2

I hope you all had a lovely half term break. The children have been excited to tell me what they did over half term, particularly about what they did for Halloween and fireworks night. It sounds like they had lots of fun!

We started our half term with a mini topic about Diwali and the children have made Rangoli patterns and diva lamps using clay.

Our main topic for this half term is 'People Who Help Us'. So far, we have focused on firefighters and have turned our role-play area into a fire station. The children helped to make a big fire engine!

This has been linked to fireworks night and keeping safe around fireworks. We will be looking at people who help us in an emergency, like the police, doctors and nurses, lifeguards and the air ambulance. We will also look at people who help us at home and at school. We will then focus on Christmas in December, looking at the Christmas story and we will make lots of different crafts. We will be doing our Nativity in the last week of term with the Reception Class and will begin learning the songs for it over the next few weeks.

I look forward to an exciting and festive half term ahead and as always, please do come and see us if you would like to discuss anything.

Nursery Class Teacher

Cooking

Mrs. B has been visiting every Thursday morning to cook with the children. So far they have made some wonderful treats. We will be cooking on different days with the children over this half term to ensure every child has a turn. Please add your voluntary contributions to the jar in the Nursery cloakroom. Please feel free to add your contribution for the half term if it is easier than paying weekly. Thankyou!

CIP time

We go outside every day at Nursery and with the wet weather becoming more frequent it is also helpful if you could leave a pair of wellies at Nursery for your child. Please send your child in to Nursery wearing shoes that have Velcro rather than laces. This helps us to change them quickly into their wellies or

dressing up clothe
