

ALSA Minutes

Meeting Monday 26th June 8pm, Zoom

Attendees:

Emma Betteridge, Serena Pattison, Amy Lander, Sarah Bowden, Helena Galilee, Caroline Ayres, Michelle Stacey, Sophie Ryan

Treasurers update

Charlie is stepping down as Treasurer at the end of the school term. We must have Treasurer to be able to function as a charity. The role could be split in two. Please remind everyone and ask around.

We have £13K available to go towards the outdoor play structure.

Eco update

Had some feedback that the Fathers Day/Important man keyrings were too plastic-y. Need to be mindful when choosing activities to reduce plastic.

Summer Fair

Everyone was happy with the Seaside theme.

All year groups to try to theme their stalls and games if possible.

- YR bake stall
 Game?

- Y1 Decided to stick with BBQ
 Splat the Rat

- Y2: hook the duck
 Pirate treasure map

- Y3: bar
 Giant card game

- Y4: bottle tombola
 Beat Bob

- Y5: toys
 Spin to win and other games

- Y6: beat the goalie
 Candyfloss

Bouncy castle - no space. Could we have something else that was a main attraction, Rebecca Fox looking into Go Karts. Generally agreed that it wasn't necessary but nice if we could get something else.

External stalls - a few people have contacted the school. Agreed that if the stall fits with the fair and is something that would add enjoyment then we could charge a flat fee of £25.

Agreed to have raffle tickets at the door rather than charge entry.

Try to keep to tokens and cashless as much as possible. Ability to buy tokens at all of the zettle points.

Compere- would be good to have someone to announce attractions, raffle winners etc and add to the atmosphere of the festival. Please could everyone ask around for a volunteer for this.

Eco-stall - Sand art, plant stall. Amy will talk to Mrs Handley.

Cups - agreed that unbranded cups were a good investment, unlikely to get taken home. Have collection points so it is clear we are reusing them.

Volunteer sign up app - Michelle is going to have a look and see how much work it is to set up so that all of the class stalls are visible at the same time.

Summer Photo Competition - Serena is collating all the entries and Amy will discuss with Mrs H to get eco-committee to judge.

Chess Tournament - There is another chess tournament this Saturday 2nd July which they would like refreshments at - ask if anyone is able to volunteer even if just for an hour.

Summer Festival - 21st July. Separate committee has it all sorted!

Ashtons - Boards have gone up but quite a few problems so next time we need to get people to opt in rather than opt out.

Teacher Forfeits - Worked really well with KS1 last year, but KS2 teachers are less keen to get suggestions from children! Discussion around how we can get each class to have a target for a challenge without making the teachers do anything they are uncomfortable with. Agreed that we could ask each class to raise £100 on justgiving, for KS1 teachers this could be a forfeit and for KS2 teachers to decide themselves what the challenge could be.

Date of next ALSA meeting
