WEEKLY BULLETIN

FRIDAY 24th JUNE 2022

## MESSAGE FROM THE HEAD

This week we took part in the St Albans District Athletics competition, and our children performed brilliantly. There were some stand-out performances, including second places for Finn in the Y4 boys sprint and Senuli (Y6) in the girls 600m. I am also delighted to say that Seth won the Y5 boys sprint race, with Teddy, Will, Finn and Sonny taking home the Y4 boys shuttle race shield too (our first time as a school). With all these great performances, we ended up coming third place over all. Many congratulations to all the children took part and thank you to Mrs. Hobbs, Mrs. Leech and Mrs. McNaught for supporting them so well.

This week we have reviewed and updated our head bump procedures. If your child has a head bump, we will continue to write the head bump letters, or speak to you after school, however, as an added precaution we will also send a text message through gateway to let you know that something has happened in school. It is just to add that extra

layer of information, in case there are any issues further down the line at home. Please note that if we feel that an injury is serious you will be phoned as soon as possible.

It seems that some children are not bringing hats in when it's hot. Many of the children will run around on the playground for the whole of break and lunch, getting hotter and redder as the time goes on. It is important that they have a hat to keep the sun off their heads, as well as sun cream and their water bottles.

Y1 were treated to a trip to Kew Gardens this week. Mrs Leech reported that the children had a fantastic time and conveyed her thanks to the parents who supported. We were also lucky enough to have Ms Sprinks come in and talk about her new book, the Furiousaurus.

And finally, today we had our first cup of tea with the Head, Thank you to the parents who came and shared their points of view. Your feedback was really useful and I'll aim to do the same thing next year.

Have a lovely weekend.

Recommended by Georgia Y1

“Billie Upton Green is a little girl who has a new baby sister and she loves biscuits. She is also in a show and has a Great Nan just like her. I really liked this book. It was really funny.”

MESSAGES FROM THE OFFICE

Lunches

There are still children who don't have a meal pre-ordered. This has a knock on effect to not only Zena, our cook, but to the MSA's in the dining hall and the other children lined up. Please ensure you have pre-ordered all of your children's meals either weekly or termly. Thank you.

Gateway

There are a number of outstanding contribution requests on Gateway for workshops/trips etc. Please make sure you are up to date. Without your continued support we will be unable to plan these activities in the future.
