WEEKLY BULLETIN

FRIDAY 29th APRIL 2022

MESSAGE FROM THE HEAD

I'm not sure what happened to the weather this week, but it seems that as soon as the summer term started we slipped back to winter again. Despite the drop in temperature the children appear to hardly notice, but as a friendly reminder they need a jacket if it's cold.

This also seems like a good time to bring up uniform. I think it is important that the children are smart and dressed correctly for school. At the moment (not including break the rules day) we are seeing a range of colourful and patterned sock choices, different coloured trainers and a variety of hair bands on display. As we move towards September and beyond, as part of the uniform, we will be asking children to wear plain black, grey or white socks only, and asking that children wear black sensible shoes or all black trainers (e.g. a black or barely noticeable logo).

This week, our Year 4 children visited the Verulamium park and museum. They had the chance to try on various togas, explore the

Roman wall and enjoy a picnic in the park. We are extremely lucky to have such a fantastic resource so near by for the children to enjoy, and by the sounds of it they had a great time.

On Saturday our Choir are singing at the Visual Arts Festival in St Albans. You can see them in action at the Vintry Gardens, adjacent to St Albans Cathedral between 12pm and 1pm. It would be great if they could get a bit of support.

And finally this week, ALSA held their 'break the rules' day today, as well as a cake sale. I cannot thank them enough for the work they put in to support the school. They are working towards purchasing a climbing frame for the children, so all of the donations you give go straight back into supporting the children directly with fun events or physical resources that they can enjoy.

Enjoy the long weekend and we will see you all back on Tuesday.

Warmest wishes,

Mr Smithard
