WEEKLY BULLETIN

FRIDAY 22nd APRIL 2022

MESSAGE FROM THE HEAD

To begin with, I would like to wish you all a very warm welcome back to school for the Summer term. It's lovely to see all the children skipping up the path, smiling and ready to learn.

I am pleased to say that the Year 6 building has finally been removed, giving us even more outside space. The sensory garden is also taking shape. Thank you to the volunteers who came in over the holidays to put the garden together. As always your support is very much appreciated.

This week there have been some new things happening for Year 2 and Year 4. Year 2 went to the library for their first Lego League session which sounded like great fun. They will be building and creating models each week based upon a specific theme. Year 4 started Music sessions at the St Albans Boys School. They are on their way there now as I type, and I'm sure it will be a really positive experience. We also see the return of swimming for Year 3 & 5 next week too.

Mrs. Grisenthwaite has signed herself up for the Milton Keynes half marathon. She is currently in training, feeling fighting fit and is completing the challenge to raise money for ALSA. All of us here wish her the very best of luck. Please support Mrs G if you can. You can find her just giving page here: <https://www.justgiving.com/fundraising/deryn-grisenthwaite>

I am very keen to continue to improve communication between school and home, and vice versa. If you have something that you need to raise please get in touch with us (both positive and negative) and we will address it in the best way we can. I would appreciate hearing about any issues before they become an open forum on social media. Without that direct discussion, we aren't always aware that there is an issue, or a brilliant idea could easily be missed.

Hopefully the sun will continue shining for us for the weekend.

Warmest wishes,

Mr Smithard

HOT CHOCOLATE FRIDAY

Hot chocolate Friday will be back next week

PHILOSOPHY FOR CHILDREN QUESTION

Are there more doors in the world or wheels...
