

R.E. Summer 1 Hinduism Knowledge Organiser

This half term we will learn the importance of actions and consequences in a Hindu's life. Also, we will investigate their beliefs in Karma, Samsara and Moksha to see if they make an impact on Hindus leading good lives and being good people.

Word	Meaning
action	The process of doing something, can be to achieve an aim.
consequence	The result of an action - can be positive or negative.
flow chart	Diagram that shows the steps taken to get to an end result.
Karma	This is something that Hindus believe in. It is doing good deeds or having positive thoughts about someone or something.
Atman	This is a Hindu word meaning "soul". Hindus believe that every living thing has a soul and that it cannot be destroyed.
reincarnation	After the death of a living thing, Hindus believe in reincarnation where the soul continues to live on in another living thing.
Samsara	This is the life cycle that Hindus believe in: you are born, you live, you die, and then you are born again.
Moksha	This is when a Hindu is released from the cycle of rebirth.
