## MESSAGE FROM THE HEAD

It has been a beautiful, sunny week - thank you for providing hats and sun cream for the children. Please remember to name the hats so that they can be returned to their rightful owners if misplaced.

On Wednesday, a group of Year 3 children attended the basketball games at Oakland's college. Having seen the photos, it looks like they had a great time. Thank you to Mrs. Hobbs for taking them. The school sports partnership put on a range of events throughout the year. This year we have not been able to attend them all but the aim next year is to increase this number and in doing so offer more opportunity for even more children.

On Thursday a group of our Year 6 musicians visited the Abbey theatre for a preview of a video about the cathedral's work on music. It's lovely to get comments from the general public about how well behaved the children were during the event.

Today the Reception Class were on a trip to Woodside Farm. The children had a great time seeing the animals, bouncing on the giant pillows and riding on the carousel. Thank you for all the helpers for your support today, it is very much appreciated.

As a school, we welcome your input as we see this as an important ingredient to making Aboyne a welcoming and successful school. Sometimes, parents will disagree with some of the things we do, you may have a concern or even a complaint. We really do try our best to support every child although I acknowledge that there are also times when we get things wrong. Of late some of the staff and myself have received a number of emails and calls that border on the personal. Can I please remind parents that school staff do have feelings and that communication should be both respectful and civil.

Have a lovely weekend.

Warmest wishes, Mr Smithard.
