WEEKLY BULLETIN

FRIDAY 1st FEBRUARY 2022

MESSAGE FROM THE HEAD

Dear Parents/Carers,

I am pleased to say that most of the staff who were away from school last week are now back with us and the numbers of children absent with Covid seems to be reducing. We are not out of the woods yet, but I am hopeful that the half term break will act as a fire break so that we can get things running as close to normal as possible when we return.

On Monday the ballot papers went out for the election of a new parent Governor - I'd luck to wish both Mr. Narey and Mr. Brown the very best of luck. Please take the time to cast your vote with ballots needing to be returned to the office by 9am Monday 7th January.

This week we had SetPoint in school working with our Year 1 and 2 children. SetPoint are an educational charity whose aim is to inspire young people about the STEM subjects. In the workshop the children had to design the best structure for the three little pigs in

order to withstand the Big Bad Wolf Blowing the it down.

Also this week the Eco-committee and school council met with ALSA to discuss what they would like to see improved in the new play-ground. Suggestions included improving the pond area, new sports equipment as well as a new climbing frame. They had lots of great ideas which we hope to make happen in the near future.

Last month, we received £500 from the St Albans Civic Society to create a sensory garden at school. We have also been given two extremely generous donations from Mr. and Mrs. Abbott and Mr. and Mrs. Babcock. We are hugely grateful. Thank you.

On Thursday our Year 5 mathematicians were at St Albans High School for Girls taking part in the Royal Institution Mastery Maths Classes. Well done to all of the children involved.

And finally, congratulations to the Fencing team for their fabulous victory over St Helens.

Warmest wishes, Keith Smithard

HOT CHOCOLATE FRIDAY

Apologies, but Hot chocolate Friday this week has been moved to next Monday.

PHILOSOPHY FOR CHILDREN

This weeks question to discuss at home is from Reuben:

How do you need to have goals?
