WEEKLY BULLETIN

FRIDAY 27th MAY 2022

MESSAGE FROM THE HEAD

Dear Parents/Carers,

Today we held our Queen's Platinum Jubilee picnic, where the children had the chance to enjoy a spot of lunch in the glorious sunshine. The bunting was up and the music played as they enjoyed the afternoon. We will be doing a whole week of Jubilee celebrations when we return from the half term break, where the children will learn about the reign of Queen Elizabeth including key dates in history, art work and much more.

A week or two ago, I mentioned the St Albans schools Gala. I am very pleased to say that Peggy qualified for South West Herts District team and will be swimming for them in future competitions. Very well done to her! Peggy tells me that she swims for City of St Albans Swim Club. If the children would like more information please speak to Peggy, she is more than happy to share information about how to get involved.

We have partnered with Alban City

School to offer a workshop for parents of primary school children to help them support their children through transition to junior and secondary school.

The Transition Workshop consists of a two-hour workshop delivered by two Facilitators from St Albans Plus Partnership with the aim of helping parents have a positive approach to moving on, exploring what will be the same/different for us and our children and considering how we could support our children by building on their resilience, self-esteem and independence.

The workshop will take place at City School in their theatre on Friday 24th June at 9:15am. I realise this clashes with the cup of tea with the head morning, so I will put that back to 2pm on the same day.

That leaves me to wish you a lovely holiday. I hope the sun keeps shining, and I look forward to seeing the children back safe and well on Monday 6th June.

Warmest wishes, Mr. Smithard
